**Macedonia, Ohio – AGS Custom Graphics continues recognition for Print Excellence**

**AGS Custom Graphics** is proud to announce it was recently awarded thirty-eight 2018 Print Excellence Awards from the Printing Industries of Ohio • Northern Kentucky. The company submitted thirty-eight entries and every one of them earned an award.

Each year, the Printing Industries of Ohio • Northern Kentucky association holds its Print Excellence Awards Competition to reward Ohio and Northern Kentucky printers who demonstrate excellence in 35 categories. This year, member companies submitted more than 350 printed pieces and two out-of-state expert judges ranked them in a regional competition. This year's judges were Ken Eberhart, Merrick Printing Company (Louisville, KY) and Jeff Ekstein, Willow Printing Group (Ontario, Canada).

Printing Industries Association President, Jim Cunningham, stated how impressed the judges were with the overall quality of all the entries. "Ken and Jeff are experienced judges and printers whose combined expertise spans more than 50 years in print. Yet, even they were impressed with our members' incredible work. It's easy in today's fast paced world to just get the job done, but our Association's members continue to demonstrate the pride and dedication to their craft that has made Ohio and Northern Kentucky printers some of the best in the world!"

AGS Custom Graphics won the following awards:

- 15 Gold Awards
- 16 Silver Awards
- 7 Bronze Awards

*"Print is still a vital communication medium. I am truly proud of the accomplishments of our team. Every day, we work hard to exceed our customer's expectations. We are even more grateful to our clients who consistently choose us to produce their beautiful creations. We are so very honored and thankful to them for trusting us with their most important communication needs",* remarks Dave Margiotta, President of AGS Custom Graphics.
