Macedonia, Ohio – AGS Custom Graphics wins Gold Award in Sappi Paper’s Printer of the Year Award Contest

AGS Custom Graphics won a Gold Award for Catalog Production in Sappi's [Printer of the Year](#) awards. The award was earned for producing work for [Hinkley Lighting](#). These awards are regarded as the world's most respected accolade of excellence in printed communications. Sappi chose winners from within ten different categories:

Books, Brochures, Catalogs, Cross-Channel Communications, Digital Print, Direct Mail, Magazines (sheetfed), Magazines (web), Printer's Own Promotion, or General Print (any printed material not included in other categories).

Judging was based on the following criteria: Overall Impact of the piece, General Appearance Appropriateness of techniques and materials used to enhance the subject matter, Degree of Difficulty, Efforts judged in accordance with how difficult they are to perform, with more points awarded for successful execution of challenging technique

Technical Excellence was based on the following criteria: Dot Structure and Integrity, Ink Density, Line Screen (DPI), Color Consistency, Registration

“We are delighted by the recognition that we have received from these prestigious contests. More importantly, we are pleased to share these achievements with our valued client, Hinkley Lighting who allows us to perform for them”, stated David Margiotta, President of AGS Custom Graphics.
